Rivertown Spot My Photos

- 1 - Shoot: Attendees smile for the camera and have some photos taken by a professional photographer.
- 2 - Spot: They register with the photographer one time, providing the phone number or email address where they want to receive their photos.
- 3 - Share: A link to their own private gallery is instantly shared. This gallery updates during the event with each photo they appear in. They can share photos on their own terms via social media.
